The VITA program assists Saginaw County

residents who cannot afford to pay to have their taxes prepared.

STEM AmeriCorps is designed to increase academic engagement in the STEM

(Science, Technology, Engineering and Math) subjects with the goal that as

students progress through their educational careers they will choose to

pursue a career in these fields. Through this AmeriCorps program,

nonprofit agencies are able to leverage dollars and share resources as

AmeriCorps members help foster collaboration and shared outcomes. Labor

volunteers and community members come together to design, construct and

install mobility ramps for low-income, disabled residents in Saginaw

County through Project Independence. Literally freeing residents from

their homes, this program gives residents more than just a free ramp. In

many cases it also gives them back their independence. Helping students

read at grade level or higher, the Lexia literacy program is facilitated

through United Way and hosted at several locations throughout the

community. Children, ages birth to 5, receive age-appropriate books free

through the Imagination Library program. The program promotes access to key

literacy skills and supports a readiness for learning.
